

15TH REAAA CONFERENCE 2017
BALI, INDONESIA

Mino Best Project Award Presentation

Mr Katsuji Hashiba

Chairman of MINO Best Project Award Committee

Mino Best Project Award

- ▶ Established in 2016 to recognise outstanding road and/or bridge projects which have recently been constructed in the Asian and Australasian region.
- ▶ Mino Fund donated by the late Dr Sadamu Mino, the Association's 10th President from 1998 to 2000.

Award Categories

Two categories:

- ▶ I. high-volume road – high-volume expressways/major highways which contribute to the economic and social development in the region
- ▶ II. community road – rural and regional roads which contribute to regional and social development in the (local) region

Project Criteria

- ▶ Nominated projects must have been completed between April 2013 (commencement of current REAAA Governing Council term) and August 2016 (deadline for nomination)
- ▶ All nominations had to be lodged by a member of the REAAA Governing Council

Judging Criteria

- ▶ a. Social effectiveness and impact at the international and/or national level
 - ▶ a-1: economic benefit – economic growth, lifestyle, etc.
 - ▶ a-2: impact on traffic flow – reduced congestion, delays, etc.
 - ▶ a-3: impact on road safety – reduced road trauma
- ▶ b. Technical excellence
- ▶ C. Environmental friendliness/awareness
