Format for abstract of technical papers

1. The abstract should adhere to the following structure:
   - Title
   - Authors names, date of birth (for Katahira Awards), affiliations (REAAA member or non member), and contact details
   - Purpose of the Study
   - Approach and / or Methodology
   - Results or Expected Results
   - Conclusion
   - Topic Code: Please choose one topic code (sub-theme) for each abstract

2. The following format should be strictly followed:
   - Page lay-out: A4-size (21 x 29.7cm)
   - Leave a margin space of 2.5 cm for top, bottom, right and left margins
   - Begin your abstract with the title. The title should be in CAPITAL LETTERS and in Bold. Leave a space of two lines after the title.
   - Provide your first name, last name, date of birth, and affiliated organization (REAAA member or non member). Use Bold for your last name.
   - Provide your mailing address, telephone/mobile numbers with country codes, facsimile number and e-mail address
   - Provide the topic code that best categorizes your abstract (see list of sub-themes/topic codes)
   - Type the abstract (250 words maximum). Indicate the word count at the end of the abstract
   - Use a separate paragraph for each section of the abstract
   - Use Times New Roman with Font Size: 10 or 12 points
   - Use Word document (compatible version)

3. Conference Sub-Themes / Topic Codes:
   T-1 Road Safety and Smart Transport System
   T-2 Green Construction and Sustainable Environment
   T-3 Road Development to Support Regional Growth
   T-4 Road Financing Scheme
   T-5 Other topics related to Road Development
